

FRIENDS OF JAMESTOWN

Secretary Moody and Secretary Cortelyou Speak in Bill's Favor To-morrow.

FAILURES IN PHILIPPINES

Promises and Predictions of Republicans Never Came True.

(From Our Regular Correspondent.)

WASHINGTON, D. C., April 9.—The House Committee on Industrial Arts and Manufactures will meet Monday for the purpose of further considering the Jamestown Exposition bill. Secretary of the Navy Moody and Secretary Cortelyou of the Department of Commerce and Labor, will appear before the committee and discuss the features of the bill.

The Secretary of the Navy is expected to devote himself to a discussion of the proposed naval features of the exposition. Secretary Cortelyou will speak chiefly of the commercial exhibits. Both these distinguished heads of departments are expected to make strong arguments for the bill, though they may not directly solicit its passage as have some others who have appeared before the committee. But the bill will have the prestige of having these gentlemen behind it.

Representative Jones is preparing for a fight next week against a bill reported from the Insular Committee, amending the act of 1902 to temporarily provide for the civil government of the Philippines. Mr. Jones presented the minority report to the committee, which is a very able document. He is the senior Democrat on the committee, and is specially well qualified to discuss the problems affecting the archipelago which are constantly arising.

The report is very explicit in denouncing the section of the bill which empowers the government of the Philippine Islands to guarantee an income of not more than five per cent. upon capital invested in the construction, equipment and maintenance of railroads in the islands. The report states that apart from the few miles of branch railway now under construction by the English company, which runs from Manila to Baguio, in the islands, operated between Manila and Baguio, there has not been a mile of railroad built in the Philippines since American occupancy; that it has been demonstrated that capital finds other fields more inviting and conditions for investment more favorable.

LAND GRABBERS.

Persons Who Pay Taxes Now May Save Property.

Mr. T. D. Wainwright, collector of delinquent taxes, has completed his list for publication. All property upon which taxes for 1903 have been levied, and which have not been paid, are under the law, required to be sold at public auction. Land-grabbers who purchase at this sale, will secure the same title as that at a State sale, and no further notice is required from the land-grabber to the owner.

All who pay before the sale, or in the next few days, will be saved additional cost and trouble.

SUCCESSFUL OPERATION.

Skin of Pig Grafted on Arm and Body of Woman.

The physicians at the City Hospital performed a skin-grafting operation on the colored woman, Mary Grant, yesterday afternoon. The tender skin of a pig was grafted into the arm and body of the woman, and was looked upon as most successful by the physicians. The woman, who was badly burned several days ago, she was reported as getting along nicely last night.

And Prominent Temperance Workers Use and Endorse

Duffy's Pure Malt Whiskey.

Rev. A. McLeod, D. D., the Great Preacher, Was Cured of Dyspepsia and Nervous Prostration of Forty Years' Standing by the Wonderful Medicine Whose Virtues He Extols, and to the Curative Qualities of Which He Owes His Renewed Vigor and Perfect Health.

ENDORSE

Honored and Respected Among Men, After More Than 50 Years of Constant Service in the Presbyterian Church, Dr. McLeod Makes the Following Frank and Outspoken Statement of What Duffy's Pure Malt Whiskey Has Done For Him:

"I am now in my 73d year and have served God fearfully and to the best of my ability in my chosen calling. For more than forty years I have been afflicted with dyspepsia and nervous prostration. At times I would get so run down constitutionally through overwork as to be disqualified entirely from discharging my ministerial duties. The only medicine which has ever benefited me, I could not take. The most noted physicians failed to prescribe any medicines that benefited me. I could neither eat, nor sleep, and for more than two years I had to take sleeping powders every night. My nervous prostration was so great, that I was unable to do any work. It was only by the use of Duffy's Pure Malt Whiskey, that I was enabled to get on my feet. I am a temperance man, and I do not think my position in this matter will be misunderstood."

Rev. A. McLeod, D. D., of the Detroit Presbytery.

Duffy's Pure Malt Whiskey.

In the brief period of two days I found that it began to help me. It gave me strength, aided my digestion, settled my nerves and I have gained ten pounds since taking it.

I thank God there is such a medicine to be had, and recommend all people with weak broken-down constitutions, and nervous people especially to use it. I feel that it will help them. I will be glad to answer any communications in regard to the healing virtue of your preparation. I am a temperance man, and I do not think my position in this matter will be misunderstood."

WILL OPEN LIBRARY IN THE EVENINGS

Beginning May 2d, It Will be Accessible to the Public Until to P. M.

The Virginia State Library is now being equipped with electric lighting fixtures, preparatory to opening the storehouses of that great collection of books to public access in the evenings until 10 o'clock. This is an experiment formerly tried, but it was considered that the advantages of the opportunities thus afforded for self culture and pleasure from literature that the expense was not justified. Nevertheless, the experiment is to be made again, and with better prospects of success.

Beginning May 2d, the library will be kept open to the public, except Sundays and Saturdays, from 2 A. M. until 10 P. M. This will give men who work all day an opportunity to spend evenings pleasantly and profitably in the perusal of the great works of the best writers of all times, and will give them access to a library containing more books than any private or any other public library in the city.

During the months of June, July and August the library will not be kept open in the evenings.

GREATER NOW THAN EVER

Richmond's Hotel Accommodations Never Equalled Those of the Present.

WE MIGHT GET CONVENTION

No Organized Effort for It—A Party of Steamboat Tourists—The Arrivals.

General Superintendent Walter A. Post, of the Newport News Shipbuilding and Dry Dock Company, accompanied by a party of ladies and gentlemen from New York and other points, arrived in the city last night aboard the Virginia Navigation Company's steamer Pocahontas and are at The Richmond. "We merely came up on a little pleasure trip," said Mr. Post. "Some of our party desired to make the trip up the James River by daylight and see the various points of historic interest along the stream. We shall probably remain until to-morrow night, and will probably see something of the city."

Those of the party are Mr. and Mrs. Walter A. Post, Mr. A. L. Hopkins, Miss Harris, of Newport News; Mrs. Hopkins, of Troy, N. Y.; Miss Ross, Miss Helen Ross and Miss Post, of Albany.

Other arrivals at The Richmond yesterday embrace the following: Lewis C. Levy, of North Carolina; Charles E. Robinson and wife, of Philadelphia; R. E. Harris, of St. Louis; J. H. H. of Charlottesville; W. G. Hatcher, of New York; Mrs. W. J. Phalen, M. W. Phalen, of Chicago; B. H. Marsh, of Winston, N. C.; Charles Hodges, of Lancaster, Pa.; J. W. Ball, of New York; P. S. Cunningham and wife, of Chicago; Mr. and Mrs. R. O. Wilson, of Glen Ridge, N. J.; L. D. Thornton, of New York.

Arrivals at the Jefferson continue large, but the tide of tourist travel now ebbing homeward is gradually diminishing. Among those at the Jefferson last night were: S. M. O'Brien, Louisville; A. H. Dalley and wife, New York; Dr. L. McVillie French, Manchester, N. H.; Dr. J. Warren and B. F. McGee, Boston; Mr. J. C. Halyburton, F. W. Munn and E. F. J. Krowson, Philadelphia; Mr. and Mrs. William I. Frothingham, Brooklyn; John C. C. Mayo, Painesville, Ky., and N. B. Hartman, New York.

Murphy's still leads all the other hotels in point of patronage, having three pages of arrivals, even on Saturday. Among the Virginia guests at Murphy's were: P. A. Clark, Bedford; C. J. Rixey, Jr., of the Culpeper bar; D. Gordon Gouldman, Fredericksburg; C. S. Kinner, Lynchburg; C. Thompson, Capt. Charles A. Stevens, a Bostonian, representing the publishing house of Silver, Burdett & Co., of New York; C. C. Block, United States navy.

The hotels of the city have yet taken no steps to secure the seat of the Democratic State Convention for Richmond. With the Richmond, the Jefferson, Murphy's the Powhatan, the Lexington and other smaller hotels, the city might well undertake to entertain this big body of Democrats, who will in all probability be here the larger portion of two days.

DEFENDS ROOSEVELT. Takes Up Time Excusing President and Postmaster-General.

(By Associated Press.) WASHINGTON, April 9.—In the Senate to-day Mr. Spooner took occasion to reiterate the Democratic charges against the conduct of Postoffice Department, and before he concluded had traversed quite an extensive political field. He also defended the President against the charge of violating the law, which he said, had been made by the Democrats, declaring that in nothing was the President so up-to-date as in his determination to enforce the law.

WELLS' CIRCUIT.

Nashville to Get on the List With a New Theatre.

The Wells circuit of theatres is to be further enlarged by the addition of a house in Nashville. The theatre is to cost \$75,000, and will be built by Edward Horn of New York, who built the Academy of Music here. The seating capacity will be 2,500, and will be ready for the opening of the season in September.

Hannon Y Social. The Hannon Ys have issued a very unique invitation for a social to be given Tuesday night, April 19th, at the residence of the president, Miss Bessie Hechler.

In consequence of the above invitation, the regular meeting has been called in.

ACCURATE TIME.

No matter how fine a timepiece you may have—if it fails to keep time, it misses its object and purpose. The timepieces we sell are "beauties;" you cannot help falling in love with them on sight. Even their beauty does not detract from their goodness—they are correct time-keepers.

This is saying a lot, but we mean every word of that statement.
